

Kassandra

Wishes to go to

Disney World!

12-year-old Kassandra is an extremely intelligent, fun-loving, and sporty young lady who is excited about her trip to Disney World with her family. She is looking forward to traveling with her older sister, Breanna, and her two wonderful aunts!

Kassandra is currently battling with her diagnosis of Hemophagocytic lymphohistiocytosis but stays positive through the support and encouragement of her friends and family. She never lets it stop her from playing her favorite sports, volleyball and soccer. In her spare time Kassandra also enjoys plucking on the guitar, playing with her three dogs, eating ice cream cake, and scrapbooking her latest adventures.

When she is not playing sports herself, she enjoys watching her favorite team, the Chargers. She also loves to rock out to her favorite band, the Jonas Brothers and of course Justin, Bieber, her favorite singer!
